

eMagazine

The emagazine highlights the best of member's contributions from the AusHunt website over the last few months. It's a great little mag that has been well received by our users, it's easily accessed or forwarded onto friends and above all FREE!

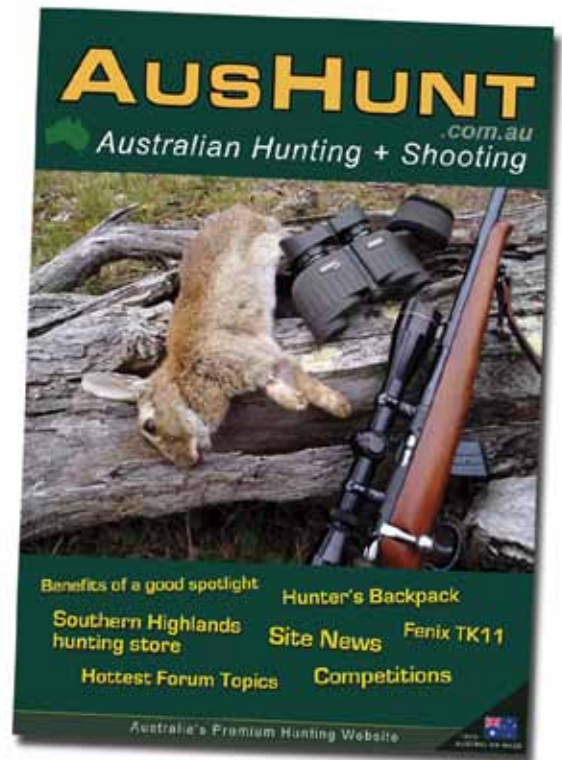

The emagazine is published as an interactive pdf suitable for internet, mobile and tablet delivery. After it is published it lives on our website so our readers can always access current or previous issues.

Contents

- Feature stories - interest / hunting
- Feature business - review
- Product news
- Top forum discussions
- Top gallery photos or videos
- Site news + developments
